Let's Fi... Fight For Freedom

The Victory Libe... Loan is two-thirds ended, but subscriptions that have been reported are but little more than one-third of the Loan.

It is not conceivable that the American people, who with heart and soul waged the fight for freedom will permit this time of victory and thanksgiving to fail.

Our sons gave of their health, of their strength, and of their lives that freedom might not perish. There are now one and one half million Americans in France and Germany. Now that the war is over it would be as reasonable for them to disgrace the nation by deserting the flag as for the nation to disgrace itself by deserting them. Is it a large thing that we are now asked to lend our money to pay the cost of Victory? Is American money less willing than American manhood?

Let everyone of the millions who have bought Liberty Bonds, buy Victory notes, and success is sure.

RAMPAGE OF 102 RIVER ATTRACTS MANY TO BANK

Bits of Debris Floating on Current Show Damage Done—Subsiding Today Report.

Many people braved the muddy condtion of the roads yesterday to view the spectacle of the 102 river on a rampage and throughout the afternoon a large number visited the stream.

The river was well over its banks and much of the surrounding farm country was under water. The bulk of the excess water came down through the newly cut river channel, and many bits of debris floating down the river gave evidence of damage done farther upstream.

The river began to fall during the late afternoon, and reports from the Water Company today say the stream is rapidly returning to its normal level

REV. SNODGRASS BEGINS PASTORATE

NEW MINISTER AT CHRISTIAN CHURCH FORMALLY INSTALLED

HOLD UNION SERVICES

Members of Protestant Churches Thruout City Welcome New Pastor—Rev. Coile In Charge.

The Rev. Ray Elkin Snodgrass, the new minister of the Christian church, assumed the pastorate last night at the big union service which was taken part in by all the Protestant churches in Maryville. The big church was packed to the doors by the large crowd which turned out to welcome the new clergyman to this city.

In opening his sermon last night, Snodgrass expressed pleasure at the cordial greeting extended him, and stated that although he knew it was the custom here to have union services for the new ministers, still he wished to feel that every person in the church was there because he really wanted to become acquainted with the new pastor of the Christian church.

"The Sunday before I left Savannah," said Rev. Snodgrass, "one of the congregation came to me and asked me to preach as though I were to be there for fifty years. I did so and on this, the first night here, I want to preach as though I had been here for fifty years."

Taking as the subject of his sermon, the "Vine and the Leaves," Rev. Snodgrass, delivered a stirring address on the great subject. He spoke of one of the young men members of his congregation who had been killed in action over in France, and in a touching manner appealed to his hearers to offer themselves to the Savior in the same way that the young man had offered his life for his country.

Following the sermon by Rev. Snodgrass, Rev. Coile of the Presbyterian church, head of the Mnisterial Alliance of Maryville, formally welcomed the new pastor to this city, and as he explained "officially installed him in the pulpit of the Christian church." He informed the new minster of the large field which was taken in by the church here, and explained to him that constant hard work was necessary.

In reply to the welcome, Rev. Snodgrass stated that although it was a new experience to him to be "installed by a Presbyterian minster," still he was very glad to see the interest and co-operative spirit of the churches in the union service, and that he intended to make a big success of his new work.

A special program by the Christian church choir was presented under the direction of H. J. Becker, and a number of organ selections were given as part of the musical program. Mrs. Robinson gave a vocal solo.

TO MARRY GOV. HARRISON

Miss Elizabeth Wrentmore of Berkeley, Calif., a Visitor Here on Her Way to Washington for the Wedding.

Miss Elizabeth Wrentmore of Berkeley, Calif., has been visiting in Barnard with her uncle and aunt, Mr. and Mrs. John Price and Maryville with her aunt, Mrs. A. B. Allen. She is on her way to Washington where she will be married May 15 to Governor General Francis Burton Harrison of the Philippines, at the home of the governor's mother in Washington. A brother of Miss Wrentmore, Ensign George C. Wrentmore of the United States Navy, will give the bride away.

A number of articles have appeared in the city papers recently of this engagement. The following was taken from a recent issue of the Kansas City Post:

Miss Elizabeth S. Wrentmore, of Berkeley, Calif., is 18, and her fiance, Francis Burton Harrison, governor-general of the Philippines, is 46. There has been mild opposition on the part of Miss Wrentmore's mother, who has put forth objection on the score of the disparity of their ages. She is quoted as saying that "Governor Harrison has daughters as old as her own, and the case is simply one of hero worship." However, the bride-to-be has overcome all objections and is to marry the govenor as soon as the divorce granted to Mr. Harrison's former wife becomes effective.

Dean Wrentmore, the girl's father and Governor General Harrison are close friends. Miss Wrentmore is at present taking a finishing course in the University of California. She is a graduate of the University of Washington. She is described as very beautiful, tall, blonde and athletic. She met Mr. Harrison in Manila, where her father is dean of the University of Manila.

Provision Made in Pact That Italy May Come in When She Desires. Belgians Shout "Down With Wilson"

Paris, May 5.—The peace treaty for Germany has been completed. It has been arranged so that it can be signed by either four or five powers. Should the Italians return to Paris to resume negotiations as now seems certain their interests will be fully safegarded. Should they continue to remain away, the treaty will be signed by the United States, Great Britain, France and Japan, allowing Italy to come in whenever she desires.

It is anticipated in some circles that terms will be handed to Germany in Versalles Wednesday.

Paris, May 5.—The Italian Ambassador has informed Pichon, the French foreign minister, that Orlando aand Sonnino would arrive there Tuesday for the resumption of negotiations, an Exchange Telegraph learned this afternoon.

Brussels, May 5.—The Belgian crown council has decided to sign the peace treaty despite the fact that many Belgian demands have not been met.

"That which have been offered us by the Allies is in complete disagreement with President Wilson's fourteen principles," was declared by Minister of Finance Delarcrois.

There was a demonstration in a moving picture theatre last night during the showing of President Wilson when the crowd shouted "Long live America. Down with Wilson."

BENTON TO ENTER 6 MEN.

Coach Picking Out Squad for Maryville, Mo., Meet.

Benton high school will enter six men in the annual Northwest Missouri high school association games at Maryville, Mo., Saturday, May 10. accordingto Coach Fred Vandersloot. These men will be selected from the following candidates: Capt. Utz, Goodman, Pickard, Drake, Chiles, Young, McClelland, Sawyers and Scott. Vandersloot sent in an entry list yesterday which included the entire squad, four men being entered in each squad.

Benton was unable to enter the William Jewell class B meet at Liberty, Mo., because of the illness of Capt. Sam Utz. Utz is not in shape yet, but will reurn to practice Monday. Utz has been coming close to the state quarter-mile mark for high schools and should make a good showing at Maryville. In the recent Trenton high meet he scored nine points, all the points Benton scored.

Tryouts were held yesterday on the cinder road to Lake Contrary, and further tryouts will be held next week. Benton will be the only senior high school entered from St. Joseph. Central high will not enter.—St. Joseph Gazette.

$5 Fine for Sleeping in Court.

Carlinville, Ill.—County Judge Duggan has no particular objection to persons sleeping in the court room during court sessions, but he draws the line on snoring. When John J. Garrin of Hagaman, answered the call of Morpheus while a case was being heard and dropped so soundly into slumber as to vibrate the building with his nasal music it grated on the nerves of the judge, who ordered a bailiff to rudely awaken Garrin's peaceful siesta, fining him $5 for contempt of court. And upon Garrin's failure to pay the fine he was sent to jail.

AFTER CLOUDS COMES SUNSHINE.
AFTER DESPONDENCY COMES JOY.
AFTER SICKNESS COMES HEALTH.
AFTER WEAKNESS COMES STRENGTH.

In the spring when you're "all in"—fagged out—blood thin, if you will turn to Nature's remedy, a tonic made from wild roots and barks, which has stood fifty years as the best spring tonic—you will find strength regained. No need to tell you it's Dr. Pierce's Golden Medical Discovery, put up in tablet or liquid form, and sold by every druggist in the land. After a hard winter—shut up indoors, your blood needs a temperance tonic, a tissue-builder and blood-maker such as this "Medical Discovery" of Dr. Pierce's.

Kansas City, Kans.—"About the only medicine I have ever given my little boy is 'Golden Medical Discovery'. He never was very strong and would become run-down very quickly, would suffer loss of appetite. I would give him the 'Golden Medical Discovery' and it always built him up in good health. I have also given this medicine as a spring tonic; for such 'Golden Medical Discovery' has no equal."—*Mrs. Geo. Maul, 1512 N. 15th St.*

The Itching and Sting of Blazing, Fiery Eczema

Seems Like the Skin Is on Fire.

There is a harrassing discomfort caused by Eczema that almost becomes a torture. The itching is almost unbearable, and the skin seems on fire with the burning irritation. A cure from local applications of salves and ointments is impossible, because such treatment can only allay the pain temporarily. The disease can only be reached by going deep down to its source.

The source of Eczema is in the blood, the disease being caused by an infection which breaks out through the skin. That is why the most satisfactory treatment for all so-called skin diseases is S. S. S., for this remedy so thoroughly cleanses the blood that no impurities can remain. Get a bottle to-day at any drugstore, and you will see results from the right treatment. Write for expert medical advice, which you can get without cost, by addressing Medical Director, 21 Swift Laboratory, Atlanta, Ga.

Your Business and My Business

The following points are of vital interest to the people of this nation, and will be discussed in greater detail in separate advertisements appearing in this paper at intervals until the start of the Victory Liberty Loan:

1. This nation—your country and mine—owes approximafely $10,000,000,000 in unpaid war bills—for a Victory that we are now enjoying.

2. The nation must pay this debt—if it is to continue to exist as a nation among the nations of the world.

3. There are only two ways that the nation can secure the money—by bonds and by taxes.

4. Taxes are already high and yet insufficient to meet our outstanding war obligations.

5. Therefore bonds must be sold.

6. Again, there are only two ways that several billions of dollars of bonds can be sold—to the banks or to the people.

7. If they are placed with the banks, industry, commerce, your business will suffer. The banks would be unable to purchase several billion dollars of Liberty Bonds and continue to loan money in sufficient quantities and at a fair rate to the business man. You cannot have your pudding and eat it, too.

8. It is, therefore, your business and my business to prepare for the Victory Liberty Loan, that we may then invest as largely as each of us individually can—for America's welfare and for our own.

PIMPLY? WELL, DON'T BE!

People Notice It. Drive Them Off with Dr. Edwards' Olive Tablets

A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights.

Cleanse the blood, the bowels and the liver with Dr. Edwards' Olive Tablets, the successful substitute for calomel; there's never any sickness or pain after taking them.

Dr. Edwards' Olive Tablets do that which calomel does, and just as effectively, but their action is gentle and safe instead of severe and irritating.

No one who takes Olive Tablets is ever cursed with "a dark brown taste," a bad breath, a dull, listless, "no good" feeling, constipation, torpid liver, bad disposition or pimply face.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil; you will know them by their olive color.

Dr. Edwards spent years among patients afflicted with liver and bowel complaints, and Olive Tablets are the immensely effective result.

Take one or two nightly for a week.

HAD TO BE LIFTED OUT OF HER CHAIR

Troubles Disappear After Taking Tanlac And Feels Better Than In Twenty Years.

"Tanlac has done me so much good that I have adopted it as the family medicine and besides myself, I have a son and daughter, two son-in-laws, and a daughter-in-law, all taking it and being benefited," said Mrs. Mary Haddox, whose home is in Caldwell, Texas, where she is known and respected by everybody. She was on a visit to her daughter and son-in-law, 507 Carroll avenue, Dallas, when she told the story of her wonderful recovery.

"For about wtneyt years," Mrs. Haddox continued, "I suffered from stomach trouble and nervous indigestion, and tried all kinds of treatment and medicines but steadily grew worse. I was also afflicted with rheumatism and just suffered torture. I had very little appetite and what I did eat wouldn't digest, and there was a dull hurting and heavy feeling in the pit if my stomach all the time. I would often wake up at night with a hurting in my stomach that I could hardly bear. My liver was all out of order, and I felt tired and sluggish and my nerves were so shattered the least excitement would completely upset me. Every bone in my body seemed to ache just like neuralgia, my joints were swollen and my muscles and flesh hurt so I could hardly bear anything to touch me.

"I finally got so bad off, I had to be lifted up out of my chair and helped about like a baby. I had been in that fix for four months with hardly a ray of hope of getting well until I began taking Tanlac. If it had failed me I don't know what I would have done. But Tanlac didn't fail me, I'm glad to say. After using it a few days I began to improve and my rheumatism and stomach trouble has gradually disappeared until now I fell better than I have in twenty years. My nerves haven't bothered me at all, and I have had one slight attack of rheumatism since I began taking Tanlac, and this is certainly remarkable for one my age who has suffered so long. My appetite is now as good as it ever was and I can eat vegetables and other things that used to nearly kill me without them hurting me one bit. I have gained several pounds, sleep and rest well every night and feel like a new person. My whole family thinks there's no medicine in the world like Tanlac and I am so rejoiced over what it has done for me that I want to tell everybody about it."

Tanlac is sold in Maryville by the Koch Pharmacy and by A. M. Colly, Conception Junction; H. M. Lincoln, Pickering, and Carter Pharmacy, Burlington Junction, Mo., and in Barnard, by Bear Drug Store, in Elmo by King Drug Co., and in Clearmont by Dr. W. H. Wiley; Ravenwood by C. A. Shunk. —Adv.

THE MAKING OF A FAMOUS MEDICINE

How Lydia E. Pinkham's Vegetable Compound Is Prepared For Woman's Use

A visit to the laboratory where this successful remedy is made impresses even the casual looker-on with the reliability, accuracy, skill and cleanliness which attends the making of this great medicine for woman's ills.

Over 350,000 pounds of various herbs are used anually and all have to be gathered at the season of the year when their natural juices and medicinal substances are at their best.

The most successful solvents are used to extract the medicinal properties from these herbs.

Every utensil and tank that comes in contact with the medicine is sterilized and as a final precaution in cleanliness the medicine is pasteurized and sealed in sterile bottles.

It is the wonderful combination of roots and herbs, together with the skill and care used in its preparation which has made this famous medicine so successful in the treatment of female ills.

The letters from women who have been restored to health by the use of Lydia E. Pinkham's Vegetable Compound which we are continually publishing attest to its virtue.

The Consumer and The Standard Oil Company (Indiana)

THE Standard Oil Company (Indiana) always has recognized the men and women who use its products as the ultimate judges of the success of the Company's earnest effort to render a superior service.

The Standard Oil Company (Indiana) conducts its business with but one goal as an objective—that every individual purchaser of Standard Oil products shall experience complete satisfaction with every purchase.

When the Company reaches this goal, then, and only then, will the Board of Directors, acting as Trustees for the 4623 stockholders, feel that their ideals have been realized.

Neither the Company, nor the patrons, can be satisfied unless the product is uniformly up to the highest standard of excellence—unless it can be bought without inconvenience—unless the price charged represents true value.

To bring about this degree of satisfaction, unerring accuracy in manufacture, complete distribution, and efficiency in keeping down operating costs are essential.

Working without precedent, but with high ideals, integrity of purpose, and a keen sense of its obligation as a public servant, the Company believes it has succeeded.

The judgment of the consuming public has been for the most part favorable to the Company, as is shown by the ever increasing volume of business which the Standard Oil Company of Indiana is enjoying.

Let's Finish the Fight For Freedom

The Victory Liberty Loan is two-thirds ended, but subscriptions that have been reported are but little more than one-third of the Loan.

It is not conceivable that the American people, who with heart and soul waged the fight for freedom will permit this time of victory and thanksgiving to fail.

Our sons gave of their health, of their strength, and of their lives that freedom might not perish. There are now one and one half million Americans in France and Germany. Now that the war is over it would be as reasonable for them to disgrace the nation by deserting the flag as for the nation to disgrace itself by deserting them. Is it a large thing that we are now asked to lend our money to pay the cost of Victory? Is American money less willing than American manhood?

Let everyone of the millions who have bought Liberty Bonds, buy Victory notes, and success is sure.

139TH AT ST. JOSEPH

A NUMBER OF MARYVILLE BOYS IN THIS REGIMENT

MARYVILLE REPRESENTED

Reception and Parade at St. Joseph Sunday—Soldiers Will Be Discharged and Home Friday.

A number of Maryville people attended the reception and parade of the 139th Infantry at St. Joseph yesterday. In this infantry are several Maryville boys, among them being Wilfred White Carl Tarpley, John LaVelle, Charles Robey, Henry Reynolds, Loren Schnabel, Bert Blatter, Robert Garten, James McMahon and Floyd Reynolds.

They have recently returned from France and on their way to Camp Funston, where they will be discharged. The boys said they probably would be home the last of the week.

The troop trains carrying the members of the 139th infantry arrived in St. Joseph during the night Saturday up to 6:30 o'clock Sunday morning. The parade was given about eleven o'clock Sunday, after which dinner was served to the boys at the Auditorium. The soldiers were asked to form in a single line and to pass into a room which served as a dining room. They were handed plates at the end of a long table. Next, half a fried chicken was laid upon the plate. Then came a large slice of baked ham, then potato salad, then a large bun, then a sweet pickle. The soldier was then given a cup of hot coffee. When the repast was finished they were asked to come to a second long table. Here they were given a generous helping of straw berry shortcake and ice cream.

During the afternoon at the Auditorium, dancing was had. The soldiers left the hall at four o'clock and took their train for Kansa sCity, then on to Topeka where a parade may be given and then to Camp Funston.

The following were the Maryville people who went to St. Joseph Saturday evening on the Wabash by the way of Conception: Mr. and Mrs. J. C. White, Mr. and Mrs. Shell Garten, Mr. and Mrs. Charles Tabler, Mrs. Nancy Smith, Mrs. Hazel Schnabel, Misses Ola Smith, Myrtle Lanning, Marie Rigney, Thurla Spoor, G. B. During the night a number of songs were given and a general good time had.

Mr. Wolfers visited with his friend, Col. Ristine. They were school mates at the state university.

Had the Burlington train been running Sunday, many others from Maryville would have attended the reception at St. Joseph.

RAMPAGE OF 102 RIVER ATTRACTS MANY TO BANK

Bits of Debris Floating on Current Show Damage Done—Subsiding Today Report.

Many people braved the muddy condtion of the roads yesterday to view the spectacle of the 102 river on a rampage and throughout the afternoon a large number visited the stream.

The river was well over its banks and much of the surrounding farm country was under water. The bulk of the excess water came down through the newly cut river channel, and many bits of debris floating down the river gave evidence of damage done farther upstream.

The river began to fall during the late afternoon, and reports from the Water Company today say the stream is rapidly returning to its normal level

REV. SNODGRASS BEGINS PASTORATE

NEW MINISTER AT CHRISTIAN CHURCH FORMALLY INSTALLED

HOLD UNION SERVICES

Members of Protestant Churches Thruout City Welcome New Pastor—Rev. Coile In Charge.

The Rev. Ray Elkin Snodgrass, the new minister of the Christian church, assumed the pastorate last night at the big union service which was taken part in by all the Protestant churches in Maryville. The big church was packed to the doors by the large crowd which turned out to welcome the new clergyman to this city.

In opening his sermon last night, Snodgrass expressed pleasure at the cordial greeting extended him, and stated that although he knew it was the custom here to have union services for the new ministers, still he wished to feel that every person in the church was there because he really wanted to become acquainted with the new pastor of the Christian church.

"The Sunday before I left Savannah," said Rev. Snodgrass, "one of the congregation came to me and asked me to preach as though I were to be there for fifty years. I did so and on this, the first night here, I want to preach as though I had been here for fifty years."

Taking as the subject of his sermon, the "Vine and the Leaves," Rev. Snodgrass, delivered a stirring address on the great subject. He spoke of one of the young men members of his congregation who had been killed in action over in France, and in a touching manner appealed to his hearers to offer themselves to the Savior in the same way that the young man had offered his life for his country.

Following the sermon by Rev. Snodgrass, Rev. Coile of the Presbyterian church, head of the Mnisterial Alliance of Maryville, formally welcomed the new pastor to this city, and as he explained "officially installed him in the pulpit of the Christian church." He informed the new minster of the large field which was taken in by the church here, and explained to him that constant hard work was necessary.

In reply to the welcome, Rev. Snodgrass stated that although it was a new experience to him to be "installed by a Presbyterian minster," still he was very glad to see the interest and co-operative spirit of the churches in the union service, and that he intended to make a big success of his new work.

A special program by the Christian church choir was preseated under the direction of H. J. Becker, and a number of organ selections were given as part of the musical program. Mrs. Robinson gave a vocal solo.

TO MARRY GOV. HARRISON

Miss Elizabeth Wrentmore of Berkeley, Calif., a Visitor Here on Her Way to Washington for the Wedding.

Miss Elizabeth Wrentmore of Berkeley, Calif., has been visiting in Barnard with her uncle and aunt, Mr. and Mrs. John Price and Maryville with her aunt, Mrs. A. B. Allen. She is on her way to Washington where she will be married May 15 to Governor General Francis Burton Harrison of the Philippines, at the home of the governor's mother in Washington. A brother of Miss Wrentmore, Ensign George C. Wrentmore of the United States Navy, will give the bride away.

A number of articles have appeared in the city papers recently of this engagement. The following was taken from a recent issue of the Kansas City Post:

Miss Elizabeth S. Wrentmore, of Berkeley, Calif., is 18, and her fiance, Francis Burton Harrison, governor-general of the Philippines, is 46. There has been mild opposition on the part of Miss Wrentmore's mother, who has put forth objection on the score of the disparity of their ages. She is quoted as saying that "Governor Harrison has daughters as old as her own, and the case is simply one of hero worship." However, the bride-to-be has overcome all objections and is to marry the govenor as soon as the divorce granted to Mr. Harrison's former wife becomes effective.

Dean Wrentmore, the girl's father and Governor General Harrison are close friends. Miss Wrentmore is at present taking a finishing course in the University of California. She is a graduate of the University of Washington. She is described as very beautiful, tall, blonde and athletic. She met Mr. Harrison in Manila, where he father is dean of the University of Manila.

It is anticipated in some circles that terms will be handed to Germany in Versalles Wednesday.

After Clouds comes Sunshine.
After Despondency comes Joy.
After Sickness comes Health.
After Weakness comes Strength.

In the spring when you're "all in"—fagged out—blood thin, if you will turn to Nature's remedy, a tonic made from wild roots and barks, which has stood fifty years as the best spring tonic—you will find strength regained. No need to tell you it's Dr. Pierce's Golden Medical Discovery, put up in tablet or liquid form, and sold by every druggist in the land. After a hard winter—shut up indoors, your blood needs a temperance tonic, a tissue-builder and blood-maker such as this "Medical Discovery" of Dr. Pierce's.

Kansas City, Kans.—"About the only medicine I have ever given my little boy is 'Golden Medical Discovery'. He never was very strong and would become run-down very quickly, would suffer loss of appetite. I would give him the 'Golden Medical Discovery' and it always built him up in good health. I have also given this medicine as a spring tonic; for such 'Golden Medical Discovery' has no equal."—*Mrs. Geo. Mauk, 1942 N. 15th St.*

$5 Fine for Sleeping in Court.

Carlinville, Ill.—County Judge Duggan has no particular objection to persons sleeping in the court room during court sessions, but he draws the line on snoring. When John J. Garrin of Hagaman, answered the call of Morpheus while a case was being heard and dropped so soundly into slumber as to vibrate the building with his nasal music it grated on the nerves of the judge, who ordered a bailiff to rudely awaken Garrin's peaceful siesta, fining him $5 for contempt of court. And upon Garrin's failure to pay the fine he was sent to jail.

The Itching and Sting of Blazing, Fiery Eczema

Seems Like the Skin Is on Fire.

There is a harrassing discomfort caused by Eczema that almost becomes a torture. The itching is almost unbearable, and the skin seems on fire with the burning irritation. A cure from local applications of salves and ointments is impossible, because such treatment can only allay the pain temporarily. The disease can only be reached by going deep down to its source.

The source of Eczema is in the blood, the disease being caused by an infection which breaks out through the skin. That is why the most satisfactory treatment for all so-called skin diseases is S. S. S., for this remedy so thoroughly cleanses the blood that no impurities can remain. Get a bottle to-day at any drugstore, and you will see results from the right treatment. Write for expert medical advice, which you can get without cost, by addressing Medical Director, 21 Swift Laboratory, Atlanta, Ga.

Your Business and My Business

The following points are of vital interest to the people of this nation, and will be discussed in greater detail in separate advertisements appearing in this paper at intervals until the start of the Victory Liberty Loan:

1. This nation—your country and mine—owes approximately $10,000,000,000 in unpaid war bills—for a Victory that we are now enjoying.
2. The nation must pay this debt—if it is to continue to exist as a nation among the nations of the world.
3. There are only two ways that the nation can secure the money—by bonds and by taxes.
4. Taxes are already high and yet insufficient to meet our outstanding war obligations.
5. Therefore bonds must be sold.
6. Again, there are only two ways that several billions of dollars of bonds can be sold—to the banks or to the people.
7. If they are placed with the banks, industry, commerce, your business will suffer. The banks would be unable to purchase several billion dollars of Liberty Bonds and continue to loan money in sufficient quantities and at a fair rate to the business man. You cannot have your pudding and eat it, too.
8. It is, therefore, your business and my business to prepare for the Victory Liberty Loan, that we may then invest as largely as each of us individually can—for America's welfare and for our own.

PIMPLY? WELL, DON'T BE!

People Notice It. Drive Them Off with Dr. Edwards' Olive Tablets

A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights.

Cleanse the blood, the bowels and the liver with Dr. Edwards' Olive Tablets, the successful substitute for calomel; there's never any sickness or pain after taking them.

Dr. Edwards' Olive Tablets do that which calomel does, and just as effectively, but their action is gentle and safe instead of severe and irritating.

No one who takes Olive Tablets is ever cursed with "a dark brown taste," a bad breath, a dull, listless, "no good" feeling, constipation, torpid liver, bad disposition or pimply face.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil; you will know them by their olive color.

Dr. Edwards spent years among patients afflicted with liver and bowel complaints, and Olive Tablets are the immensely effective result.

HAD TO BE LIFTED OUT OF HER CHAIR

Troubles Disappear After Taking Tanlac And Feels Better Than In Twenty Years.

"Tanlac has done me so much good that I have adopted it as the family medicine and besides myself, I have a son and daughter, two son-in-laws, and a daughter-in-law, all taking it and being benefited," said Mrs. Mary Haddox, whose home is in Caldwell, Texas, where she is known and respected by everybody. She was on a visit to her daughter and son-in-law, 507 Carroll avenue, Dallas, when she told the story of her wonderful recovery.

"For about wtneyt years," Mrs. Haddox continued, "I suffered from stomach trouble and nervous indigestion, and tried all kinds of treatment and medicines but steadily grew worse. I was also afflicted with rheumatism and just suffered torture. I had very little appetite and what I did eat wouldn't digest, and there was a dull hurting and heavy feeling in the pit if my stomach all the time. I would often wake up at night with a hurting in my stomach that I could hardly bear. My liver was all out of order, and I felt tired and sluggish and my nerves were so shattered the least excitement would completely upset me. Every bone in my body seemed to ache just like neuralgia, my joints were swollen and my muscles and flesh hurt so I could hardly bear anything to touch me.

"I finally got so bad off, I had to be lifted up out of my chair and helped about like a baby. I had been in that fix for four months with hardly a ray of hope of getting well until I began taking Tanlac. If it had failed me I don't know what I would have done. But Tanlac didn't fail me, I'm glad to say. After using it a few days I began to improve and my rheumatism and stomach trouble has gradually disappeared until now I fell better than I have in twenty years. My nerves haven't bothered me at all, and I have had one slight attack of rheumatism since I began taking Tanlac, and this is certainly remarkable for one my age who has suffered so long. My appetite is now as good as it ever was and I can eat vegetables and other things that used to nearly kill me without them hurting me one bit. I have gained several pounds, sleep and rest well every night and feel like a new person. My whole family thinks there's no medicine in the world like Tanlac and I am so rejoiced over what it has done for me that I want to tell everybody about it."

Tanlac is sold in Maryville by the Koch Pharmacy and by A. M. Colly, Conception Junction; H. M. Lincoln, Pickering, and Carter Pharmacy, Burlington Junction, Mo., and in Barnard, by Bear Drug Store, in Elmo by King Drug Co., and in Clearmont by Dr. W. H. Wiley; Ravenwood by C. A. Shunk. —Adv.

THE MAKING OF A FAMOUS MEDICINE

How Lydia E. Pinkham's Vegetable Compound Is Prepared For Woman's Use

A visit to the laboratory where this successful remedy is made impresses even the casual looker-on with the reliability, accuracy, skill and cleanliness which attends the making of this great medicine for woman's ills.

Over 350,000 pounds of various herbs are used anually and all have to be gathered at the season of the year when their natural juices and medicinal substances are at their best.

The most successful solvents are used to extract the medicinal properties from these herbs.

Every utensil and tank that comes in contact with the medicine is sterilized and as a final precaution in cleanliness the medicine is pasteurized and sealed in sterile bottles.

It is the wonderful combination of roots and herbs, together with the skill and care used in its preparation which has made this famous medicine so successful in the treatment of female ills.

The letters from women who have been restored to health by the use of Lydia E. Pinkham's Vegetable Compound which we are continually publishing attest to its virtue.

The Consumer and The Standard Oil Company

(*Indiana*)

THE Standard Oil Company (Indiana) always has recognized the men and women who use its products as the ultimate judges of the success of the Company's earnest effort to render a superior service.

The Standard Oil Company (Indiana) conducts its business with but one goal as an objective—that every individual purchaser of Standard Oil products shall experience complete satisfaction with every purchase.

When the Company reaches this goal, then, and only then, will the Board of Directors, acting as Trustees for the 4623 stockholders, feel that their ideals have been realized.

Neither the Company, nor the patrons, can be satisfied unless the product is uniformly up to the highest standard of excellence—unless it can be bought without inconvenience—unless the price charged represents true value.

To bring about this degree of satisfaction, unerring accuracy in manufacture, complete distribution, and efficiency in keeping down operating costs are essential.

Working without precedent, but with high ideals, integrity of purpose, and a keen sense of its obligation as a public servant, the Company believes it has succeeded.

The judgment of the consuming public has been for the most part favorable to the Company, as is shown by the ever increasing volume of business which the Standard Oil Company of Indiana is enjoying.

The best friends of the Standard Oil Company of Indiana are those customers who have used its goods, and its service, for the longest time.
